PROGRAM DESCRIPTION
The Pedorthic Practice Management (PPM) program is an adult online/blended certificate program which consists of theory, laboratory skills and clinical experience. The program consists of 270 hours of online education and 80 hours of on-site lab content (boot camp). The online portion is self-paced and available to students at any time of day. The boot camp is offered four times a year and meets Monday through Friday from 8:00 am to 5:00 pm for a two-week period. There is also a 40 hour clinical rotation to allow the student observation in a Pedorthic facility. The program has rigorous curriculum and required attendance. The program is nationally accredited and students are eligible to take a national certification exam upon completion after logging 1000 hours of supervised work under a certified Pedorthist or Orthotist. Refer to the program information guide for accreditation information or the Francis Tuttle website: www.francistuttle.edu/Media/Website%20Resources/PDFs/CTP/AppPkt-PPM.pdf

STUDENT SELECTION
The program has a selective admissions process, as often there are more applicants than available student positions. In addition to the minimum requirements for admission, applicants must also meet requirements regarding physical abilities, criminal background review and drug screening tests for the clinical rotations. Applicants must submit all the required documentation with the applicant checklist (form) to the Career Planning Center before their file will be reviewed by the Health Science Advisor. The PPM program director will then review the file and determine selection of students. Applicants will be notified by letter, and by email or phone, when it is determined they have been accepted.

MINIMUM REQUIREMENTS FOR ADMISSION
- Applicants must submit the Francis Tuttle Adult Application for Admission form with $15.00 non-refundable fee. (The age requirement for adults is 18 years or older.)

- Applicants must provide evidence of High School Graduation Equivalency:
  - High School Transcript (original or true copy) with graduation date, or
  - GED diploma or Transcript, or
  - Official College Transcript showing high school & graduation date, or
  - Official College Transcript with 12 credits of 1000 level English, Science & Math courses, or
  - International Equivalent Letter*

- International Applicants (for whom English is a second language) must provide TOEFL test scores—either 500 on the paper-based, or 173 on the computer-based test.
  *Transcripts generated by schools outside the U.S must be evaluated by a credentialing agency in order to validate equivalency. Applicants may contact the World Education Services at www.wes.org

- Applicants are required to submit a signed Affirmation of Criminal History Background Check form.
MINIMUM REQUIREMENTS FOR ADMISSION (CONTINUED)

Note: After receiving a letter of acceptance to the program, students must then complete an additional in-depth background check as required by the clinical rotation sites. This includes checks of several national databases, county criminal court records and verification of licensing and work history.

PREFERENCE POINTS
In the event there are more qualified applicants than positions in the class, applicants will be ranked for selection based upon preference points as described below. Applicants with the same number of preference points will then be ranked based on their GPA. In-district students are given priority over out-of-district students. There are a total of 10 preference points available. An official college transcript is required for evidence. Submitting documentation for preference points is optional.

- **GRADE POINT AVERAGE (GPA)**
  - High School or Cumulative College Retention GPA of 3.00 – 3.49 = 1 point
  - High School or Cumulative College Retention GPA of 3.50 – 4.00 = 5 points

- **COLLEGE COURSE GRADES**
  Applicants may receive one preference point each for achieving a final grade of “A or B” in 1000 level college courses: English, Math, Science, and Health-related courses (example: Medical Terminology).

- **HEALTH CERTIFICATION OR LICENSE**
  Applicants may receive up to two preference points for current health-related certifications or a license. Copy of the certification or license is required for one point each.

Tuition Adjustments for Withdrawals

Students who withdraw, prior to the last one-fourth (1/4) of their career major, are only responsible for paying for the hours they were scheduled to attend prior to their withdrawal.

There is not a tuition adjustment for early completion.

For more information regarding financial aid and scholarships, please contact the Financial Aid Office at 405.717.4315 or via email at finaid@francistuttle.edu. For more information on tuition payment options, please contact the Cashier at 405.717.4228 or via email at contact@francistuttle.edu.

Financial Aid Students: If a student completely withdraws from school, the school must calculate according to a specific formula the portion of the total scheduled financial assistance he or she has earned and therefore is entitled to receive up to the time of withdrawal. The portion of the federal grants the student is entitled to receive is calculated by comparing the number of hours the student was scheduled to complete in the payment period to the total number of hours in the payment period. Once a student has been scheduled to complete more than 60% of a payment period, he or she has earned all aid for that period. If a student has not been scheduled to complete more than 60% of a period, that student may owe funds back to the federal program. Francis Tuttle will also return to the Title IV Programs the percentage of unearned tuition of students who do not complete more than 60% of a period.

Program Director’s Approval/Signature  Date of Approval

Revised 6/17
The applicant is responsible for completing this process accurately by following the directions on page two and the instructions on the criminal history background request form.

PURPOSE STATEMENT
When considering adult applicants for admission into one of the professional Health Sciences programs, criminal history records are reviewed as they relate to the content and nature of the curriculum and the safety and security of patients and the public. In order to meet minimum requirements for admission, applicants must provide a criminal history background check (obtained not more than six months prior to the entrance date) to the school as required documentation for admission.

Applicants will provide or allow a criminal background check for use by the school to evaluate eligibility of acceptance. This is required by clinical sites and may also be listed in the clinical contract. Disclosure of the record to the clinical site may be necessary for review, evaluation and approval.

A conviction/criminal history record does not necessarily disqualify an individual for admission. The record will be reviewed and evaluated by the program director and director of the department. An applicant will be required to repeat and re-submit a background check if it is older than six months at the time of admission to the program.

BACKGROUND CHECKS FOR CLINICAL SITES
Background checks on students are required by clinical sites to protect patients and the general public. For this reason, clinical sites require students to have background checks performed. They have the right to refuse placement of any student. The school and clinical sites reserve the right to do repeat background checks if needed.

The self-disclosure information form, background checks, and conviction records (whether in or outside the state of Oklahoma) may be provided to the clinical sites, as deemed necessary by the school or as required by the clinical site, during the period of enrollment in the academic program.

To receive a clinical placement, the student must comply with this requirement and all findings must be satisfactory according to the guidelines below.

CRIMINAL BACKGROUND CHECK AND SEX OFFENDER REGISTRY SUBJECT TO RESTRICTION FOR CLINICAL SITE PLACEMENT
Criminal history background records searches are acceptable only when:
- Conducted by Group One Services, and must be completed after admission to the program. Following admission, you will be emailed a link to a site to request a background check. The cost for this service is $45, which will be paid online.

The clinical site may not allow any student to participate in clinical experiences with criminal history background check records that show the following:
- Any felony classified as a crime against the person.
- Any felony classified as a crime against public decency or morality.
- Any felony classified as domestic abuse pursuant to the provision of the Protection from Domestic Abuse Act.
- A felony violation of any statute intended to control the possession or distribution of a Schedule I through V drug pursuant to the Uniform Controlled Dangerous Substances Act.
• Any offense whereby the person is required to register pursuant to the Sex Offenders Registration Act.
• Any drug related offense.
• Any individual excluded by the Office of Inspection General (OIG) from a federal payer program.
• Any current charges pending disposition related to fraud, alcohol, drugs or crimes against persons

FURTHER DISCLOSURE
Some professional licensing, registration, or certification boards also require further information from individuals who have been convicted of a crime in connection with their determination of the eligibility of an application for licensure, registration, or certification; or even for the privilege of sitting for licensure, registration or certification examination.

Revised April 2015
As an applicant to one of the professional Health Sciences programs, I affirm that I have read and understand the program’s Criminal History Background Check Procedures, and I fully understand that I may be denied admission to the program based upon an evaluation of records by authorized personnel, and I understand that any clinical facility may deny my participation in clinical experiences based upon criminal background check records. If this occurs, I will be subject to dismissal from the program.

I understand that authorized school personnel are responsible to provide a copy of the criminal history background check records (and related course documents) to a clinical site for their review, if deemed necessary.

I understand that I am responsible to report any arrests and/or convictions that may occur after submission of my Criminal History Background Check to the program director. The program director may require another background check (at my expense), if deemed necessary.

I further understand that I am responsible for self-disclosure by completing this form by answering all questions completely and honestly. I understand that I will be subject to dismissal, if accepted to the program, if answers are found to be inaccurate. In addition, I understand that failure to report subsequent arrests or convictions may result in dismissal from the program.
