Continuing Education Requirements

All resident agents/producers, CSRs and adjusters are required to complete continuing education biennially. The requirements are as follows:

**Resident Producers** (Excluding Title producers) are required to have 24 hours of continuing education, including three hours ethics and two hours of legislative updates.

- Producers that sell, solicit, or negotiate Medicare Advantage or Part D Products or Plans are required to take a 4-hour Medicare Renewal course each renewal period.
- Producers that sell, solicit or negotiate Long Term Care insurance must take a 4-hour Long Term Care Partnership course each renewal period after the initial 8-hour Long Term Care Partnership course was taken.
- Producers that sell, solicit, or negotiate Annuity products are required to take a one-time 4-hour course on Annuity products.

**Title Agents/Producers** are required to have 16 hours of continuing education, including two hours of ethics and two hours of legislative updates.

**CSRs** are required to have 13 hours of continuing education, including three hours of ethics and two hours of legislative updates.

**Resident Adjusters** are required to have 24 hours of continuing education including three hours of ethics and two hours of legislative updates.

- **Resident and Non-Resident Adjusters** that adjudicate Worker’s Compensation claims in Oklahoma are required to take 6 hours of CE in Oklahoma Workers Compensation Act.
