

2020–2021 Verification Worksheet

V1A-Independent Student

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Verification of 2018 IRS Income Tax Return Information for Student Tax Filers

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2018 or had a change in marital status after December 31, 2018.

Instructions: Complete this section if the student and spouse filed or will file a 2018 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2018 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2018 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2018 IRS income tax return information into the student's FAFSA once the 2018 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a **signed copy of the 2018 Federal Income Tax Return (IRS Form 1040) and the applicable schedules.**

If you do not have a copy of your 2018 Federal Tax Return, you may obtain a 2018 IRS Tax Return Transcript through the following methods:

- Get Transcript by Mail - Go to www.irs.gov. Under the Tools heading, click "Get a transcript." Click "Get Transcript by Mail." Make sure to request the "IRS Tax Return Transcript" and **NOT** the "IRS Tax Account Transcript."
- Get Transcript Online - Go to www.irs.gov. Under the Tools heading, click "get a tax transcript." Click "Get Transcript Online." To use Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go-plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- Automated Telephone Request - 1-800-908-9946. The transcript is generally received within 10 business days from the IRS's receipt of the telephone request.

Contact the financial aid office if more information is needed about using the IRS DRT or obtaining an IRS Tax Return Transcript. If the student and spouse filed separate 2018 IRS income tax returns, the IRS DRT cannot be used and the 2018 IRS Tax Return Transcripts or a signed copy of the 2018 income tax return and applicable schedules must be provided for each.
