## APPLICATION PROCESS

**Application to the Practical Nursing (PN) Program CANNOT BE COMPLETED ONLINE. In addition to completing the Practical Nursing paper application, one must also complete the general paper application to Francis Tuttle Technology Center.**

Applications and all supporting documents are to be submitted in person to the Career Planning Center (CPC) on the first floor of Campus Center, Room A1040. An advisor will assess the applicant's file. It is the applicant's responsibility to verify the completeness of the application file with a Career Advisor. **Only completed files with all documents, transcripts, and test scores verifying eligibility requirements will be forwarded to the program director for review.**

Due to the volume of applications and the number of items per applicant, it is to the applicant's advantage to submit all of the required documents at one time.

All applications (regardless of submission date) are considered current from August 1–July 31. To update the file the applicant should submit a new online FTTC application and PN Enrollment Option form. Assessment test results may also need to be updated.

### **1+1 Nursing Education Partnerships:**

The 1+1 Nursing Education Partnership is available to individuals who have been referred by one of the Associate Degree Nursing Education Partners (Oklahoma City Community College, OSU-OKC, or Rose State College). Students admitted through this partnership are eligible to return to their referral RN school upon successful completion of the program and passing the NCLEX-PN exam. Students may apply for admission to either the fall or spring cohorts but are responsible for application deadlines of the referring school once the PN program at Francis Tuttle has been completed.

### **Tuition Adjustments for Withdrawals (Not applicable to Respiratory Care applicants)**

There will not be tuition adjustment for students withdrawing in the last one-fourth (1/4) of their career major.

There is not a tuition adjustment for early completion.

For more information regarding financial aid and scholarships, please contact the Financial Aid Office at **405.717.4315** or via email at [finaid@francistuttle.edu](mailto:finaid@francistuttle.edu). For more information on tuition payment options, please contact the Cashier at **405.717.4228** or via email at [contact@francistuttle.edu](mailto:contact@francistuttle.edu).

**Financial Aid Students:** If a student completely withdraws from school, the school must calculate according to a specific formula the portion of the total scheduled financial assistance he or she has earned and therefore is entitled to receive up to the time of withdrawal. The portion of the federal grants the student is entitled to receive is calculated by comparing the number of hours the student was scheduled to complete in the payment period to the total number of hours in the payment period. Once a student has been scheduled to complete more than 60% of a payment period, he or she has earned all aid for that period. If a student has not been scheduled to complete more than 60% of a period, that student may owe funds back to the federal program. Francis Tuttle will also return to the Title IV Programs the percentage of unearned tuition of students who do not complete more than 60% of a period.

**Information for Licensed Nurses, Advanced Unlicensed Assistants,  
and Applicants for a License or Certificate:**

**Requirements for Verification of Citizenship or Qualified Alien Status,  
Effective Nov. 1, 2007**

Overview

A bill passed by the Oklahoma Legislature in the 2007 Legislative Session will have significant impact on licensure of individuals who are not United States citizens. House Bill 1804, entitled the Oklahoma Taxpayer and Citizen Protection Act of 2007, seeks to “discourage illegal immigration by requiring all agencies within this state to fully cooperate with federal immigration authorities in the enforcement of federal immigration laws” (HB 1804). **The new legislation requires the Oklahoma Board of Nursing to issue a license or certificate only to United States citizens, nationals and legal permanent resident aliens; and to applicants who present, in person, valid documentary evidence of:**

1. A valid, unexpired immigrant or nonimmigrant visa status for admission into the United States;
2. A pending or approved application for asylum in the United States;
3. Admission into the United States in refugee status;
4. A pending or approved application for temporary protected status in the United States;
5. Approved deferred action status; or
6. A pending application for adjustment of status to legal permanent residence status or conditional resident status.

Requirements for New Applicants and Applicants for Reinstatements/Return to Active Status

Applicants for licensure by examination, licensure by endorsement, certification as an advanced unlicensed assistant, and reinstatement or return to active status of a license or certificate will fall into one of two categories:

- Applicants who are United States citizens, nationals, or legal permanent resident aliens must submit with their application and fee a notarized *Evidence of Status Form: Part A* and a photocopy of documentation verifying their citizenship status, as indicated on the *Evidence of Status Form: Part A*; or

- Applicants who are not United States citizens, nationals, or legal permanent resident aliens **must submit in person at the Board office an *Evidence of Status Form: Part B* and original qualified alien documentation**, with their application, OSBI Criminal History Records Search, and fee. The original documentation will be verified, copied, and notarized. The status will be verified on an online system through the Department of Homeland Security (the SAVE system). **Qualified aliens will only be eligible to receive a license or certificate marked “Temporary”, valid for the time period of their authorized stay in the United States, or if there is no date of end to the time period of their authorized stay, for one year.**

#### Requirements for Renewal of License or Certificate

**In 2008 and 2009, all licensed nurses and certified advanced unlicensed assistants will be required to verify citizenship status at the time of licensure or certificate renewal.** Nurses and advanced unlicensed assistants who are not U.S. citizens, nationals, or legal permanent resident aliens, will not be able to renew online or by mail. Instead, they will be instructed to bring their original documentation to the Board office to renew. Their renewed license or certificate will be marked “Temporary”.

For qualified aliens holding a license or certificate marked “Temporary”, the licensee/certificate holder will receive a letter three months before the expiration date, instructing him/her to present, in person at the Board office, an *Evidence of Status Form* and original, unexpired documentation verifying their current immigration status. The licensee will then be provided with a renewal form to complete at the office and submit with the required fee.

#### Summary

The Oklahoma Board of Nursing plans to fully cooperate by implementing changes in licensing and certification procedures at the time the new law becomes effective on November 1, 2007. New application forms and an *Evidence of Status Form* will be available on the website on or before November 1, 2007. **All applications for licensure by examination, licensure by endorsement, certification as an advanced unlicensed assistant, or reinstatement/return to active status submitted on or after November 1, 2007, must use the new forms and meet the new requirements.**
