Please submit this form with the documentation to support your special circumstances (e.g., pay stubs with untaxed year-to-date earnings, court documents, medical bills, disability claims, death certificates, etc.).

Students reporting a change in income will need to provide documentation of their family's gross year-to-date income for the current calendar year. This can typically be found on the most recent paystub. Students and their spouses (and/or parents of dependent students) who are unemployed must also turn in copies of their most recent unemployment pay statement and a letter of separation from their employer with their last date of employment.

You must make an appointment with the Financial Aid Director to review your documentation. You may schedule the appointment by calling (405) 717-4315 or visiting the Financial Aid Office on the Rockwell Campus. The address is 12777 North Rockwell Avenue, Oklahoma City, OK 73142.

Each person signing below certifies that all the information on this form and the accompany documentation is complete and correct.
