FRANCIS TUTTLE TECHNOLOGY CENTER – HEALTH SCIENCES CENTER ORTHOTIC AND PROSTHETIC TECHNICIAN PROGRAM – APPLICATION PROCESS

PROGRAM DESCRIPTION

The Orthotic and Prosthetic (O&P) Technician program is an adult certificate program which consists of theory, laboratory skills and clinical experience. Classes are scheduled from 7:30 am – 4:00 pm on Monday through Thursday. Clinical hours may vary and are typically eight hours each day. Students participate in a program with curriculum delivered in a competency-based approach using learning activity packets and progress-based learning. The program has rigorous curriculum, required attendance, and high performance standards for completion of the clinical rotation. The program is nationally accredited and students are eligible to take a national certification exam upon completion. Refer to the program information guide for accreditation information or the Francis Tuttle website: www.francistuttle.edu/Media/Website%20Resources/PDFs/CTP/AppPkt-OP.pdf

STUDENT SELECTION

The program has a selective admissions process, as often there are more applicants than available student positions. In addition to the minimum requirements for admission, applicants must also meet requirements regarding physical abilities, criminal background review and drug screening tests for the clinical rotations. Applicants must submit all the required documentation with the applicant checklist (form) to the Career Planning Center before their file will be reviewed by the Health Science Advisor. The Orthotic and Prosthetic Technician program director will then review the file and determine selection of students. Applicants will be notified by letter, and by email or phone, when it is determined they have been accepted.

MINIMUM REQUIREMENTS FOR ADMISSION

- Applicants must submit the Francis Tuttle Adult Application for Admission form with \$15.00 non-refundable fee. (The age requirement for adults is 18 years or older.)
- Applicants must provide evidence of High School Graduation Equivalency:
 - High School Transcript (original or true copy) with graduation date, or
 - GED diploma or Transcript, or
 - Official College Transcript or Diploma showing high school & graduation date, or
 - Official College Transcript with 12 credits of 1000 level English, Science & Math courses, or
 - International Equivalent Letter*
- Applicants must have acceptable Acuplacer Placement Test Scores (valid for 2 years):
 - Reading 250; Math 250; and English/Writing 250
 - Applicants may submit an official college transcript with 12 credit hours in 1000 level or higher courses in English, Science and Math courses, or ACT scores Reading 19, Math 19, English 19, instead of taking the Acuplacer test
- International Applicants (for whom English is a second language) must also provide TOEFL test scores—either 500 on the paper-based, or 173 on the computer-based test.

*Transcripts generated by schools outside the U.S must be evaluated by a credentialing agency in order to validate equivalency. Applicants may contact the World Education Services at www.wes.org

MINIMUM REQUIREMENTS FOR ADMISSION (CONTINUED)

- Applicants are required to submit a signed Affirmation of Criminal History Background Check form.
- Accepted students may be required submit a completed Physical Exam form, official documentation of Immunizations Requirements, and take a Drug Screen Test – with Negative results – from a designated testing facility.

Note: Students should carefully review the information on the physical examination form related to physical job requirements. Students unable to perform the physical duties of a Orthotic and Prosthetic Technician would be unable to complete clinical coursework and therefore unable to complete the program. Physical requirements include the ability to assist with moving patients, frequent lifting of up to 50 pounds, continuous standing, wearing personal protective equipment for a prolonged time period, hearing and responding to audible instructions.

PREFERENCE POINTS

In the event there are more qualified applicants than positions in the class, applicants will be ranked for selection based upon preference points as described below. Applicants with the same number of preference points will then be ranked based on their GPA. In-district students are given priority over out-of-district students. There are a total of 10 preference points available. An official college transcript is required for evidence. Submitting documentation for preference points is optional.

- GRADE POINT AVERAGE (GPA)
 - High School or Cumulative College Retention GPA of 3.00 – 3.49 = 1 point
 - High School or Cumulative College Retention GPA of 3.50 – 4.00 = 5 points
- COLLEGE COURSE GRADES
Applicants may receive one preference point each for achieving a final grade of “A or B” in 1000 level college courses: English, Math, Science, and Health-related courses (example: Medical Terminology).
- HEALTH CERTIFICATION OR LICENSE
Applicants may receive up to two preference points for current health-related certifications or a license. Copy of the certification or license is required for one point each.

FRANCIS TUTTLE TECHNOLOGY CENTER – HEALTH SCIENCES CENTER APPLICATION PROCESS – ADDITIONAL INFORMATION

NON-ACADEMIC ADMISSION REQUIREMENT

Criteria taken into account when admitting first time or transfer students: a) whether the applicant has been expelled, suspended, denied admission, or denied admission by any educational institution; and b) whether the applicant's conduct has been such that if the applicant was a student at the time of the conduct in question, the conduct would have been grounds for expulsion, suspension, dismissal, or denial of readmission to the program.

Criteria taken into account when readmitting withdrawn students: a) reason for withdrawal, b) faculty recommendation and c) actions taken to correct deficiencies. Students may request Advanced Standing credit.

HEALTH REQUIREMENTS AND IMMUNIZATIONS

Upon provisional acceptance, students will be required, at their expense, to submit documentation of good health, and meet immunization requirements as established by the clinical rotation sites, which includes the COVID-19 vaccination. This includes taking a drug screening test – with negative results – from a designated testing facility. Please note: while medical marijuana is legal in the State of Oklahoma, it is not accepted in healthcare or in any of the Health Sciences Center programs at Francis Tuttle Technology Center. A positive test for marijuana will result in the student's loss of eligibility to remain in a Health Sciences Program. A Basic Life Support CPR certification from the American Heart Association must be obtained and a copy of the certification provided.

AGENCY REQUIREMENTS

The applicant must be aware that other requirements or restrictions may be imposed by the program's clinical agencies as follows: a) according to policies/procedures of the clinical sites, students may be required at their own expense, to obtain additional, MMR and varicella immunizations or titers, chest x-rays, drug screening, and OSBI criminal history background checks; b) some clinical sites may require that students submit a physical exam, and have health insurance; and c) additional TB screening(s); and must be obtained by the program's deadlines.

SCHEDULING THE ACUPLACER TEST

Call Francis Tuttle's Assessment Center at (405) 717-4323 to make an appointment to take the Acuplacer test. It takes an average of three (3) hours to complete the exam; there is no charge. Please call and cancel if you cannot make your appointment. The Assessment Center is located in the Campus Center building on the Rockwell Campus. These tests may only be taken twice during a semester, preferably 2 weeks apart. Official scores from a college or university may be accepted if the score sheet can be authenticated as an "official" copy (with a stamp, seal or signature by the testing division).

INTERNATIONAL APPLICANTS

TOEFL tests are required for admission of international students (for whom English is a second language) in addition to taking the standard Acuplacer entrance test and may be taken twice during a semester. Francis Tuttle does not administer the TOEFL examination. Applicants needing to take the TOEFL may register for the examination by contacting Educational Testing Services (ETS). The cost of the Internet Based TOEFL (iBT) is currently \$150.00. The applicant may register for the examination online or over the phone: 1-800-GO-TOEFL (1-800-468-6335); or by email: <http://www.ets.org> (Select "TOEFL" from the list of exams). ETS will inform the applicant where the examination can be taken in the local area. If the applicant has completed the "Institutional TOEFL" at a college/university the score is acceptable to meet the requirement. Please read the "Guidelines for Prospective International Students."

Tuition Adjustments for Withdrawals (*Not applicable to Respiratory Care applicants*)

Students who withdraw, prior to the last one-fourth (1/4) of their career major, are only responsible for paying for the hours they were scheduled to attend prior to their withdrawal.

There will not be tuition adjustment for students withdrawing in the last one-fourth (1/4) of their career major.

There is not a tuition adjustment for early completion.

For more information regarding financial aid and scholarships, please contact the Financial Aid Office at **405.717.4315** or via email at fnaid@francistuttle.edu. For more information on tuition payment options, please contact the Cashier at **405.717.4228** or via email at contact@francistuttle.edu.

Financial Aid Students: If a student completely withdraws from school, the school must calculate according to a specific formula the portion of the total scheduled financial assistance he or she has earned and therefore is entitled to receive up to the time of withdrawal. The portion of the federal grants the student is entitled to receive is calculated by comparing the number of hours the student was scheduled to complete in the payment period to the total number of hours in the payment period. Once a student has been scheduled to complete more than 60% of a payment period, he or she has earned all aid for that period. If a student has not been scheduled to complete more than 60% of a period, that student may owe funds back to the federal program. Francis Tuttle will also return to the Title IV Programs the percentage of unearned tuition of students who do not complete more than 60% of a period.
