FRANCIS TUTTLE TECHNOLOGY CENTER – HEALTH SCIENCES CENTER DENTAL ASSISTING PROGRAM – APPLICATION PROCESS

PROGRAM DESCRIPTION

The Dental Assisting (DA) program is an adult full-time certificate program which consists of theory, laboratory skills, and clinical experience. Classes are scheduled from 8:00 am – 3:00 pm on Monday through Friday for ten months (August through May). Clinical hours may vary and are typically eight hours each day. Students participate in a program with curriculum delivered in a traditional approach using learning activity packets and competency-based learning. The program has rigorous curriculum, required attendance, and high performance standards for completion of the clinical rotation. The program is nationally accredited and students are eligible to take a national certification exam upon completion. Refer to the Program Information Guide for accreditation information or the Francis Tuttle website: <http://www.francistuttle.edu/classOfferings/careerTraining/> (See the Dental Assisting link).

STUDENT SELECTION

The program has a selective admissions process, as there are often more applicants than available student positions. Applicants must submit all the required documentation with the applicant checklist (form) to the Career Planning Center before their file will be reviewed by the Health Sciences Advisor. The Dental Assisting program director will then review the file and determine selection of students. Upon acceptance, applicants will be notified by letter, email, or phone. If selected for admission, additional requirements include; physical abilities assessment, a criminal background check, and a drug screening test for clinical rotations.

MINIMUM REQUIREMENTS FOR ADMISSION

- Applicants must submit the Francis Tuttle Adult Application for Admission form with a \$15.00 non-refundable fee (age requirement for adults is 18 years or older).
- Applicants must provide evidence of High School Equivalency:
 - High School Transcript (original or true copy) with graduation date, or
 - GED diploma or Transcript, or
 - Official College Transcript showing high school & graduation date, or
 - Official College Transcript with 12 credits of 1000 level English & Math courses, or
 - International Equivalent Letter (see International Applicants)*
- Applicants must have acceptable Accuplacer Next Generation Placement Test Scores (valid for 2 years):
 - Reading 250; Math 250; and Writing 250 OR
 - ACT 19
- International Applicants (for whom English is a second language) must also provide TOEFL test scores – either 500 on the paper-based, or 173 on the computer-based test.
 - *Transcripts generated by schools outside the U.S must be evaluated by a credentialing agency in order to validate equivalency. Applicants may contact the World Education Services at www.wes.org.
- Applicants are required to submit an original OSBI record prior to entry into the program (not more than six months old); and a signed Affirmation of Criminal History Background Check form.

MINIMUM REQUIREMENTS FOR ADMISSION (CONTINUED)

- Every selected applicant must complete the “Affirmation of Criminal History Background Check Procedures and Self-Disclosure Statement and Release of Information” form.
- Every selected student must complete the Group One Background Check process. This background check collects data from national, state, and county sources including sex offender and violent offender registries. The approximate cost is \$45.00 and must be paid by credit card.
- Applicants with a positive criminal history report may be denied access by partnered clinical facilities. In the event this should occur and an equal, alternative experience cannot be arranged, the applicant will be dismissed from the program.
- Accepted students must submit a completed Physical Exam form, official documentation of Immunizations Requirements, and a Negative Drug Screen Test from a designated testing facility.

Note: Students should carefully review the information on the physical examination form related to physical job requirements. These requirements include the ability to assist with moving patients, frequent lifting of up to 50 pounds, continuous standing, wearing personal protective equipment for a prolonged time period, hearing and responding to audible instructions. Students unable to perform the physical duties of a Dental Assistant would be unable to complete clinical coursework and, therefore, be unable to complete the program.

PREFERENCE POINTS

In the event there are more qualified applicants than positions in the class, applicants will be ranked for selection based upon preference points as described below. Applicants with the same number of preference points will then be ranked based on their GPA. In-district students are given priority over out-of-district students. All transcripts are required for evidence. Submitting documentation for preference points is optional.

- **GRADE POINT AVERAGE (GPA)**
 - High School or Cumulative College Retention GPA of 2.50 – 2.99 = 1 point
 - High School or Cumulative College Retention GPA of 3.00 – 3.49 = 3 points
 - High School or Cumulative College Retention GPA of 3.50 – 4.00 = 5 points
- **COLLEGE COURSE GRADES**

Applicants may receive one preference point each for achieving a final grade of “A, B, or C” in 1000 level college courses: English, Math, Psychology, Science, and Health-related courses (example: Medical Terminology).
- **HEALTH CERTIFICATION OR LICENSE**

Applicants may receive up to two preference points for current health-related certifications or a license. A copy of the certification or license is required for one point each.
- **HEALTH CARE EXPERIENCE**

Applicants may receive up to three points for working in the healthcare field.

Criteria taken into account when admitting first time or transfer students:

- whether the applicant has been expelled, suspended, or denied admission by any educational institution; and
- whether the applicant's conduct has been such that if the applicant was a student at the time of the conduct in question, the conduct would have been grounds for expulsion, suspension, dismissal, or denial of readmission to the program.

Criteria taken into account when readmitting withdrawn students:

- faculty recommendation and
- actions taken to correct deficiencies. Students may request Advanced Standing credit.

2. HEALTH REQUIREMENTS AND IMMUNIZATIONS

Upon acceptance into the program, the set of three HBV immunizations and a TB test must be completed; and the official forms for MMR and varicella vaccinations or titers must be submitted. Students must be capable of performing all tasks associated with the profession. The student must read and follow the "Drug Testing Procedures" document by having this test completed with the agency designated. Students must sign the form: "Affirmation of Drug Testing Procedures and Release of Information." This documentation must be submitted by the deadline or the student will be placed on probation. Inability to pass or maintain the required drug screen, or to perform competency skills required in clinical due to physical limitations, will prevent the student from completing the program.

3. PHYSICAL AND MENTAL REQUIREMENTS

The following minimal physical and mental requirements are necessary for successful progression through the Dental Assisting Program:

- Ability to lift or move weights of up to 35% of recommended body weight (approx. 50 pounds).
- Motor ability necessary to ambulate independently in clients' rooms and in work areas.

Students in the Dental Assisting Program will be held accountable for the performance of these requirements while they are in the program.

4. AGENCY REQUIREMENTS

The applicant must be aware that other requirements or restrictions may be imposed by the program's clinical agencies as follows: a) according to policies/procedures of the clinical sites, students may be required at their own expense, to obtain additional MMR and varicella immunizations or titers, chest x-rays, drug screening, and criminal history background checks; b) some clinical sites may require that students submit a physical exam, and have health insurance; and c) additional TB screening(s). Any additional requirements must be obtained by the program's deadlines.

5. SCHEDULING THE ACUPLACER TEST

Call Francis Tuttle's Assessment Center at (405) 717-4323 to make an appointment to take the Acuplacer test. It takes an average of three (3) hours to complete the exam; there is no charge. Please call and cancel if you cannot make your appointment. The Assessment Center is located in the Campus Center building on the Rockwell Campus. This test may only be taken twice during a semester, preferably 2 weeks apart. Official scores from a college or university may be accepted if the score sheet can be authenticated as an "official" copy (with a stamp, seal, or signature by the testing division).

6. INTERNATIONAL APPLICANTS

In addition to taking the standard Acuplacer entrance test, TOEFL tests are required for the admission of international students (for whom English is a second language); and may be taken twice during a semester. Francis Tuttle does not administer the TOEFL examination. Applicants needing to take the TOEFL may register for the examination by contacting Educational Testing Services (ETS). The cost of the Internet Based TOEFL (iBT) is currently \$150.00. The applicant may register for the examination online or over the phone: 1-800-GO-TOEFL (1-800-468-6335); or by email: <http://www.ets.org> (select "TOEFL" from the list of exams). ETS will inform the applicant where the examination can be taken in the local area. If the applicant has completed the "Institutional TOEFL" at a college/university, the score is acceptable to meet this requirement. Please read the "Guidelines for Prospective International Students."

Tuition Adjustments for Withdrawals (*Not applicable to Respiratory Care applicants*)

Students who withdraw, prior to the last one-fourth (1/4) of their career major, are only responsible for paying for the hours they were scheduled to attend prior to their withdrawal.

There will not be tuition adjustment for students withdrawing in the last one-fourth (1/4) of their career major.

There is not a tuition adjustment for early completion.

For more information regarding financial aid and scholarships, please contact the Financial Aid Office at **405.717.4315** or via email at fnaid@francistuttle.edu. For more information on tuition payment options, please contact the Cashier at **405.717.4228** or via email at contact@francistuttle.edu.

Financial Aid Students: If a student completely withdraws from school, the school must calculate according to a specific formula the portion of the total scheduled financial assistance he or she has earned and therefore is entitled to receive up to the time of withdrawal. The portion of the federal grants the student is entitled to receive is calculated by comparing the number of hours the student was scheduled to complete in the payment period to the total number of hours in the payment period. Once a student has been scheduled to complete more than 60% of a payment period, he or she has earned all aid for that period. If a student has not been scheduled to complete more than 60% of a period, that student may owe funds back to the federal program. Francis Tuttle will also return to the Title IV Programs the percentage of unearned tuition of students who do not complete more than 60% of a period.

FRANCIS TUTTLE TECHNOLOGY CENTER – HEALTH SCIENCES CENTER CRIMINAL HISTORY BACKGROUND CHECK PROCEDURES

The applicant is responsible for completing this process accurately by following the directions on page two and the instructions on the criminal history background check request form.

PURPOSE STATEMENT

When considering adult applicants for admission into one of the professional Health Sciences programs, criminal history records are reviewed as they relate to the content and nature of the curriculum and the safety and security of patients and the public. In order to meet minimum requirements for admission, applicants must provide a criminal history background check (obtained not more than six months prior to the entrance date) to the school as required documentation for admission.

Applicants will provide a criminal background check for use by the school to evaluate eligibility of acceptance. This is required by clinical sites and may also be listed in the clinical contract. Disclosure of the record to the clinical site may be necessary for review, evaluation and approval.

A conviction/criminal history record does not necessarily disqualify an individual for admission. The record will be reviewed and evaluated by the program director and director of the department. An applicant will be required to repeat and re-submit a background check if it is older than six months at the time of admission to the program.

BACKGROUND CHECKS FOR CLINICAL SITES

Background checks on students are required by clinical sites to protect patients and the general public. For this reason, clinical sites require students to have background checks performed. They have the right to refuse placement of any student. The school and clinical sites reserve the right to require repeat background checks if needed.

The self-disclosure information form, background checks, and conviction records (whether in or outside the state of Oklahoma) may be provided to the clinical sites, as deemed necessary by the school or as required by the clinical site, during the period of enrollment in the academic program.

To receive a clinical placement, the student must comply with this requirement and all findings must be satisfactory according to the guidelines below.

CRIMINAL BACKGROUND CHECK AND SEX OFFENDER REGISTRY SUBJECT TO RESTRICTION FOR CLINICAL SITE PLACEMENT

Criminal history background records searches are acceptable only when:

- Conducted by the Oklahoma State Bureau of Investigation (OSBI); and/or
- Conducted by the authorized agency in the previous state of residence if the individual has resided in Oklahoma less than one year; and
- Conducted by the Oklahoma Department of Corrections Sex Offenders Registry files.

The clinical site may not allow any student to participate in clinical experiences with criminal history background check records that show the following:

- Any felony classified as a crime against the person.
- Any felony classified as a crime against public decency or morality.
- Any felony classified as domestic abuse pursuant to the provision of the Protection from Domestic Abuse Act.
- A felony violation of any statute intended to control the possession or distribution of a Schedule I through V drug pursuant to the Uniform Controlled Dangerous Substances Act.

- Any offense whereby the person is required to register pursuant to the Sex Offenders Registration Act.
- Any drug related offense.
- Any individual excluded by the Office of Inspection General (OIG) from a federal payer program.
- Any current charges pending disposition related to fraud, alcohol, drugs or crimes against persons

FURTHER DISCLOSURE

Some professional licensing, registration, or certification boards also require further information from individuals who have been convicted of a crime in connection with their determination of the eligibility of an application for licensure, registration, or certification; or even for the privilege of sitting for licensure, registration or certification examination.

DIRECTIONS

Applicants must obtain their “Name-based” records from the Oklahoma State Bureau of Investigation (OSBI) – cost is \$15. The Criminal History Request form for Oklahoma State residents is included in this document. It can also be obtained at www.ok.gov/osbi/Criminal_History/. A Sex Offender and Mary Rippy Violent Offender registry check are required as well—cost is \$2 each. Be sure to place an “X” in the appropriate checkbox of the “Type of Search Requested” box at the top of the form.

Attach the OSBI results to the completed required form: “Affirmation of Criminal History Background Check and Self-Disclosure Statement” (included in this document).

Applicants who have resided in Oklahoma less than one year must obtain their records from the authorized agencies in the previous state(s) of residence and attach them to the required form: “Affirmation of Criminal History Background Check and Self-Disclosure Statement” (cost varies).

International students are subject to the same criminal history review. It may be necessary for the student to contact his/her embassy, or utilize a commercial investigative service.

Submit the original copy of the OSBI check with the application for enrollment. An applicant’s file will not be assessed for enrollment until these records have been submitted and the file is complete.

The only allowable exception to an original document is the submission of a “true copy” of the applicant’s OSBI background check submitted by another Oklahoma State agency. The copy must be noted as a copy of an original on file, signed by an appropriate agency employee and forwarded in a sealed official envelope. No background checks will be accepted by fax or electronic transmission.
