

Dear Student,

Congratulations to our first year students on being accepted at Francis Tuttle AND welcome back to our second year students! We are excited and looking forward to meeting our new students and seeing our returning students again.

Because our program simulates the child care industry, our students are required to wear an industry standard uniform. This accomplishes at least two things: keeps everyday clothes from getting dirty while promoting professionalism. Francis Tuttle will purchase one scrub top and one scrub bottom for each student. Each student should also purchase one additional scrub top and scrub bottom. Uniforms will be required in class daily. An optional jacket may be purchased to wear as part of the uniform in the classroom.

We use an online ordering system. Step-by-step picture instructions for ordering are included with this letter. Shipping is already figured into the price of the uniform and tax will not be charged. Please allow 14-21 days for delivery.

Returning students **WILL** need to purchase the new uniform since old uniforms will no longer be permitted.

Here are the uniform requirements for the Early Care and Education Technology program:

- ✓ 2 Francis Tuttle Scrub Tops (one provided)
- ✓ 2 Francis Tuttle Scrub Bottoms (one provided)
- ✓ Tennis Shoes – closed toe and closed heel
- ✓ Optional – Francis Tuttle Jacket

I look forward to seeing you in class!

Sincerely,

Andrea Wiley
