PURPOSE

Use this form to request a review of your dependency status. Dependency appeals are only approved for documented extenuating circumstances (i.e., abuse, abandonment, etc.).

PROCESSING REQUIREMENTS

The Higher Education Act allows an aid administrator to make dependency overrides on a case-by-case basis for students with unusual circumstances. However, none of the conditions listed below, singly or in combination, qualify as unusual circumstances or merit a dependency override:

1. Parents refuse to contribute to the student's education.
2. Parents are unwilling to provide information on the application or for verification.
3. Parents do not claim the student as a dependent for income tax purposes.
4. Student demonstrates total self-sufficiency.

Unusual circumstances **do** include an abusive family environment or abandonment by parents and may cause any of the above conditions. In such cases, a dependency override might be warranted.

If there are no unusual circumstances that would qualify you for a dependency review, you must correct your FAFSA and include your parent's information on it.

INSTRUCTIONS

1. **You must complete the 2024-2025 FAFSA online at fafsa.gov without parent information before submitting this form.** You will receive an email from the U.S. Department of Education explaining that your FAFSA was placed in a provisional independent status. Your FAFSA will remain in this status until a dependency override has been processed and approved.
2. Select your unusual circumstance below and attach supporting documentation or third-party letters.
3. Submit a signed personal statement that explains your unusual circumstance.
4. **Submit this form** and supporting documentation by mail or in person at the Financial Aid Office, Rockwell Campus Center, 12777 N Rockwell Ave, Oklahoma City, OK 73142.
