INDIVIDUAL STUDENT EXPENSES

- Uniforms and accessories are needed approximately four weeks after the start of the program. This will be covered by the Instructor.
- Textbooks are to be obtained before the first day of each course. Some books are available at the Francis Tuttle bookstore or may be purchased at a bookstore selected by the student. Student may purchase/rent e-books if desired, but need access to online resources as well.
- Transportation, room, board, and medical care are at the students' expense.

TUITION POLICY FOR CAREER TRAINING PROGRAMS 2026-2027

It is policy that tuition for career training programs is based upon the career major. The tuition is calculated based upon the standard length of the career major multiplied by the current tuition rate. Tuition is $3.00 per clock hour times the number of hours in the student's career major. For example, if the career major has 1000 hours, the student's tuition is $3,000.00.

Payment Options

It is the student's responsibility to pay their tuition or make financial arrangements prior to the start of their program. Students have several options:

- Pay tuition in full

- Set up a payment plan – with a required down payment. Please contact the cashier for more information at (405) 717-4228 or (405) 717-4224.
- Approved federal student aid or scholarship (Confirmed financial aid recipients may qualify for tuition and book deferrals)
- Students who receive outside funding that covers tuition should notify the cashier

Transfer Hours/Advanced Standing Credit
Students will receive a tuition credit for any transfer hours accepted by his or her instructor. If a student transfers from another educational institution with coursework in his or her program area, the student must submit a transcript to the program advisor. The advisor will work with the program instructor to determine what credits will transfer to the current program requirements.

If a student tests out of a course, the student will receive advanced standing for the course and will receive a tuition adjustment for the corresponding clock hours.

Out-of-State Tuition Policy
Students from out of state are charged $6.00 per clock hour times the number of hours in the student's career major. Please note that once students are on out-of-state tuition, they will remain on out-of-state tuition. If the student changes to a new career major, the student may request a

change with the advisor to the in-state tuition rate.

Tuition Adjustments for Withdrawals

The district shall refund a credit balance for students who withdraw, after all adjustments and fees are posted, to the person who paid on the account. For students who receive federal financial aid, the District follows the Federal Title IV Return of Funds policy. (Board Policy 6019, Adopted 10/11/21 and revised 07/01/2026)

Process: Students who withdraw prior to the last one-fourth (¼) of their career major are only responsible for paying for the hours they were scheduled to attend prior to their withdrawal.

Example
If a student was enrolled in a 1000-hour career major and withdraws after he/she was scheduled to complete 600 hours, the student would be credited for 400 hours.

Tuition for the major of 1000 hrs	$3,000.00
Tuition charge for 600 hrs	$1,800.00
Refund due to student of 400 hrs	$1,200.00

There will not be a tuition adjustment for students withdrawing in the last one-fourth (¼) of their career major or for those students completing their career major early.
